

# Pensions opportunities and skills

**Peter Davis Managing Director of Pentech Limited, an Isle of Man based international pension technician and actuarial company. He has over 35 years experience in the pension industry and is a frequent visitor to Gibraltar.**

**L**ast week saw a day of working sessions to build up expertise in the area of pensions.. "Gibraltar has risen to be one of the top pension fund administration jurisdictions over the last 18 months. This has resulted in thousands of people choosing to transfer their pension to Gibraltar. This has also provided the opportunity for Gibraltar pension companies to employ a number of additional people locally and in turn has benefited the community. This growth is expected to continue," said Steven Knight, Chairman of GAPFA and the Castle Trust Group stated that
